REV. D. L. KIRKBRIDE RECEIVES DEGREE

Rev. Donald L. Kirkbride, pastor of the Niles Congregational Church, was graduated from the Pacific School of Religion at Berkeley Friday, June 6, at commencement exercises held at the University Christian Church in Berkeley.

Rev. Kirkbride was one of the class of six that received their Bachelor of Divinity Degrees. Several members of the Niles Congregation attended the ceremonies. Rev. Kirkbride accepted the call to the pastorate here on May 1, and since that date has been living at the manse and commuting to school.

He is the son of Mr. and Mrs. Donald K. Kirkbride, 3873 Rhoda Avenue, Oakland, and received his arts degree at Dickinson (N.D.) State Teachers' College. He has been studying for his Divinity Degree at the Pacific School of Religion for the past three years.

CENTERVILLE VOTES SCHOOL BOND ISSUE

A \$80,000 bond issue for the Centerville Grammar School was favored by the voters of the school district at a special election held last Friday.

A total of 115 votes were cast during the 12-hour period the polls were open with 107 voting to favor the issuance of the bonds and 8 opposed.

The fund, which will be raised through the issuance of bonds, will be used for the erection of additional classrooms and a garage to house the recently purchased school bus.

The expansion was deemed necessary by the board of trustees to accommodate the increase in enrollment at the school.

STATE INCREASES SCHOOL SUPPORT

State support of public school districts in Alameda county amounted to 36 per cent of the \$18,125,852 revenue of the districts in 1946-47, California Taxpayers' Association said this week.

State apportionments to the schools in the county for 1946-47 was \$6,579,941.

Local taxes for the school districts in the county for 1946-47 amounted to \$11,545,911, or 64 per cent of the revenues of the districts.

Statewide apportionments for 1946-47 totaled \$101,436,961.

Local property tax levies for schools for 1946-47 were \$167,940,897, or 62 per cent of revenues.

State support of school districts for 1947-48 will top all previous records, the Taxpayers' Association said. Base for state apportionment for elementary schools has been upped from \$80 per pupil to \$120 and for high schools and junior colleges from \$90 to \$120.

The state budget for 1947-48 sets up \$161,088,000 for state support of public school districts.

"Local taxes for school districts for 1947-48 depend on the size of the school district budgets which are being made up at the present time," the Taxpayers' Association said.

INFORMATION FOR FARM LABORERS

To the 250,000 itinerant farm workers who travel from job to job in the west, travel time is non-profitable. Especially is this true when time is lost following false leads into surplus worker areas.

In cooperation with the Agricultural Extension Services of six other western states, Five Farm Labor Information Stations have been established in California. These five stations are designed to offer migratory farm workers the latest information on job opportunities and crop progress in California as well as any of the western areas where itinerant farm workers are normally employed.

The California stations are located at Redding, Newcastle, Barstow, Indio and Holtville. Although varying in number of stations, Arizona, Idaho, Nevada, Oregon, Utah and Washington are offering identical service. In connection with this migratory farm labor information program, a new booklet, "Farm Jobs Along Western Highways," is being distributed. Copies may be obtained from the Farm Labor Office located at 917 C Street, Hayward, states John J. Amaral, farm replacement manager. The booklet includes individual state maps, a crop activity, types of workers desired, and available housing. The information is handled area by area. A Spanish translation will be released soon.

The annual affair was its usual success with President Harry Cesarri presiding in his inimitable manner and leading the group in a community sing. The food was prepared by three local "chefs" and with the assistance of the product furnished by the host the platters were licked clean.

Benefits under the G.I. Bill of Rights have not yet begun to expire for the war-time soldier.

Benefits such as correspondence courses, flight training, endowment policies, total disability insurance, and vocational guidance are available.

Facts in respect to the above mentioned matters as well as hospitalization, compensation and pension privileges may be obtained by visiting Forsell at Niles any Monday morning.

SHOPPING CENTER DISCUSSED BY LOCAL MERCHANTS

More than 40 merchants of Washington Township, representing nearly every type of business enterprise, attended the second in a series of five business men's conferences at Washington Union High School last Friday evening.

Last week's discussion was on the topic, "Problems of creating unique store personalities to make Washington Township a more exciting place to shop," and was led by Earl H. Kielselhorst, special supervisor of the California State Department of Education.

SLOGANS AN ASSET

Kielselhorst disclosed how each merchant should individualize his business, developing a unique business personality by applying certain showmanship principles. A step-by-step procedure for accomplishing this objective was developed.

The establishment of basic business policies to serve as a guide to all buying and merchandising done was discussed, which brought out how a well-conceived slogan could become a profitable business asset.

Charts were presented to show the value of departmentalizing as a means of limiting merchandise lines to those that are profitable, or as a means of more quickly getting at the root of difficulties in order to bolster losing departments.

ALL MERCHANTS INVITED

The conferences are made possible through the cooperation of the local merchants and the Washington Evening High School.

The next meeting will be held in the visual education room of the high school Friday, June 20 at 7:30 p.m. The subject of the discussion will be "Better advertising, display, selling to bolster Washington Township business." All merchants and their employees are invited to attend.

REPRESENTATIVE TELLS OF V.A. AID

"There are many benefits to veterans which they are not realizing in this area because they have not seen fit to inquire concerning them."

This statement was made this week by E. W. Forsell, contact representative for the Veterans' Administration who each Monday between the hours of 9 to 12 a.m. is at the Memorial Building in Niles to discuss problems with veterans of Washington Township.

In listing some of the facts about which most veterans are concerned but know little about, Forsell revealed:

G.I. Insurance is now payable in a one-sum payment, or in practically any way desired, if so designated by the insured.

Until August 1, insurance may be reinstated with a mere statement of health, and payments of only two monthly premiums at the rate paid while in the service. Term insurance when converted to a permanent plan is still insurance through the government.

Service-connected disabilities, upon authorization, may be treated locally at V.A. expense by a doctor who is a member of the California Physicians Service.

A veteran who sells property he has purchased under a veteran's loan guaranty should make certain that he will not be liable in the event the new purchaser defaults in future payments.

NO AGE RESTRICTIONS

There are no age restriction as to the receipt of educational benefits.

Benefits under the G.I. Bill of Rights have not yet begun to expire for the war-time soldier.

Benefits such as correspondence courses, flight training, endowment policies, total disability insurance, and vocational guidance are available.

Facts in respect to the above mentioned matters as well as hospitalization, compensation and pension privileges may be obtained by visiting Forsell at Niles any Monday morning.

DISTRICT FAIR BILL PASSES ASSEMBLY

Assemblyman Francis Dunn, Jr., advised The Register by telephone late yesterday that Assembly Bill 2715, which would establish an agricultural district comprising Washington, Eden, Pleasanton and Murray Townships, passed the Assembly yesterday by a vote of 69 to 0.

This district could, by agreement with the Alameda County Board of Supervisors, conduct the Alameda County Fair in the future. Dunn had told The Register earlier in the week that he had introduced the bill so that a district could be formed by the current session of the legislature. The measure will have no effect upon the county fair except by agreement with the board of supervisors.

Senator Arthur H. Breed, Jr., has indicated his approval of operation of the local fair by an agricultural district.

RAPID INDUSTRIAL TREND DOUBTED

Speaking before the Centerville Chamber of Commerce at its meeting last Thursday evening, Don M. Follett, manager of the new industries committee of the Oakland Chamber of Commerce, predicted that the spread of large industry into Southern Alameda County would be very gradual and not an overnight development.

PRICE HIKE BAD

He pointed out that inflating the price of prospective industrial sites is not an inducement to the companies to locate in undeveloped areas.

Factors studied by industrialists in their move southward are based on price, taxes, transportation, labor supply, freight rates, sewers, storm drainage and power and water facilities, according to Follett.

At the conclusion of the address by Follett, Manuel Lewis reported that he had 11 deeds to rights-of-way necessary for opening Stevens Street from Thornton Avenue to Bain Avenue, the first segment of what is hoped to be a second business thoroughfare running parallel to Main Street.

HELP SCRIP DRIVE

It was voted to purchase \$500 in scrip for the high school football stadium lighting project and Lorin Marriott, Fred Lewis, Louis Cardoza, Charles Wauhaab and Matt Mathiesen were appointed to assist William Bauhofer in disposing of another \$1,000 block.

The next meeting will be in the form of a luncheon to be given at 12 noon on June 19 at the California Inn.

TRAFFIC PATROL OFFICERS NAMED

The members of the Centerville Elementary School Traffic Patrol who are in the eighth grade were awarded certificates this week for faithful performance of their work.

Officers honored were: Arnold Silva, Joseph Silva, Merle Bechtold, George Silveira, Tom Nieto, Jimmy Leonard, Norman Coit, Jackie Bribes, Ronald Cardoza, Joe Moura, Arlen Abbott, Satoshi Sekigahama, Roy Brown, Barron Holland, Vincent Wallace, and Jerry Browning.

The certificates were signed by Vaughn Seidel, county superintendent of schools; Capt. Wilkinson, California Highway Patrol; Tom Maloney, school principal; Colonel Adams, director; and George Furbush, Alameda County Board of Education.

SENIOR BALL SET FOR TONIGHT

Seniors of Washington Union High School's graduating class will dance tonight at the annual Senior Ball in a "garden party" setting to the tunes of Buddy Williams and his orchestra.

Although details of the affair are being kept secret in order to surprise the participants, the hints that have leaked out give promise of an exciting evening in an enchanting atmosphere.

Co-chairmen on the committee of arrangements are Ruthie Cotton and Alden Chamness.

The dance will be held in the gym from nine until one o'clock.

Racetrack Issue Is Confused At Supervisors Fair Meeting

The public hearing held Wednesday by the Board of Supervisors in Oakland on the matter of selling or retaining the racetrack at the county fairgrounds, and of shifting control from the county to a proposed agricultural district, turned into a veritable free-for-all at the hands of Chairman Harry Bartell of the board.

Supervisor Bartell, quite obviously prejudiced in favor of the sale of the racetrack, started off the hearing with a rather vicious attack of questioning directed at George Roeding Jr., of Niles, who heads the "Committee of 50", which has brought the subject of the fair to a head.

Roeding protested that he is not an attorney and that only an attorney who has studied the state agriculture code could answer Bartell's questions.

Following the Bartell-Roeding Roeding tiff, a spokesman for the Alameda County Taxpayers' Association took the floor and stated that the taxpayers' association recommended that the county get out of the fair and racetrack business.

JANSSEN HAS DIFFICULTY

Then suave Sam Whiting, manager of the Alameda County Fair Association which has operated past fairs, was politely shown to a seat at Bartell's right hand and went into lengthy, self-flattering review of the record of the fair association. Immediately following his remarks he left the hearing—before any of the more than 100 persons in the hearing room could ask him any questions.

From that point on, the hearing rapidly degenerated into a session of bickering, stimulated mostly by Supervisor Bartell's belligerent attitude toward those who oppose the racetrack sale and favor operation of the county fair in the future under an agricultural district.

Four times Bartell ruled Supervisor Janssen out of order when Janssen attempted to focus attention on the issue of selling or retaining the racetrack. However, Janssen did get to say that he intended to propose a resolution to the board that the racetrack be retained.

A HASTY CLOSING

From the floor were numerous expressions of opinion that the racetrack be retained—and also that a new agricultural district be formed.

The hearing came to a close after Dr. T. C. Wilson of Niles, chairman of the Niles Chamber of Commerce fair committee, explained just how an agricultural district operates.

But Chairman Bartell, who had obviously had enough, quickly adjourned the meeting before that subject could get into general discussion.

At the hearing last week, Bartell had given assurance "the supervisors want to do what the people want."

Wednesday, it was quite clear what the people want.

E. L. KING DIES OF HEART ATTACK

Residents of Washington Township were stunned this week to learn of the sudden death of Edward Lemos King, 53, of Centerville.

King was working on a ranch near Pleasanton and was found dead at the wheel of a tractor he had been driving, the victim of a heart attack.

He was a native of Centerville and a member of the Centerville Council of the Knights of Columbus; Alvarado Aerie of Eagles, No. 1695; Native Sons of the Golden West, Washington Parlor No. 169; and Holy Name Society of Holy Ghost Church, Centerville.

He was the husband of Alice King; father of Bette, Edward and Bonnie King; brother of Mrs. Frank Madrugra of Centerville; Mrs. Gene Silva, Missoula, Mont.; Mrs. Joseph Abreu, Hayward, and Mrs. Herbert Costa, Modesto.

A rosary service was held at the Chapel of the Palms Tuesday evening.

Funeral services were conducted from the parlors of the Chapel of the Palms in Centerville Wednesday at 8:30 a.m., thence to Holy Ghost Church where a mass was said at 9 a.m. for the repose of his soul.

Interment was at Holy Sepulchre Cemetery, Hayward.

IRVINGTON GETS MISSION TAX LEVY APPROVAL

At a meeting of the commissioners of the Irvington Sanitary District held Tuesday evening in the Leal Building, R. J. Wright, secretary, read a letter from Leon Clark, attorney for the district, revealing that it will be possible for the district to levy taxes for 1947 in the newly annexed Mission San Jose district.

It had previously been ruled that taxes could not be levied against the Mission district for the current year because the annexation procedure had not been completed and the proper papers submitted to the county offices in time for a March 1 deadline. A new bill recently passed by the state legislature and signed by Governor Earl Warren now makes the levying of taxes possible, according to Clark's letter.

Wright revealed that a new assessment of valuation of the recently annexed Mission district is now underway and stated that the Irvington district will also be assessed this month.

The Sanitary Board will meet Monday, July 7, as a Board of Equalization to establish the tax rates for the entire combined district.

B. P. W. C. PLANS POT-LUCK PICNIC

A pot-luck supper picnic, to be held at the Berge home in Irvington, is the next event scheduled for the Business and Professional Women's Club of Washington Township.

This announcement came at the regular monthly meeting held last Monday evening, at the home of Miss Carmelita Berge, president.

The month of August will be a vacation period for the club, no meeting being scheduled then. Activities will resume, however, in September, when there will be a board meeting, September 10, at the home of Mrs. Gertrude Enos.

A district meeting at Asilomar is scheduled to be held on September 27-28, which will doubtless be attended by members of the local club.

A committee to write new by-laws was appointed by the president as follows: Miss Gay Knoles, Mrs. Ann Maycock and Mrs. Gertrude Enos.

Mrs. E. H. Hirsch was appointed the chairman of the membership committee.

JR. LEAGUERS LOSE 15-INNING DUEL

A pitchers' battle between Bramwell of the Washington Township Junior League team and Edmonds of Oakland Post No. 5 junior nine took place at the Washington ball field last Saturday, ending in the 15th inning with Oakland victorious by a score of 1 to 0.

Both pitchers went the full 15 innings and neither issued a walk or struck a batter. Bramwell whiffed 11 batters and Edmond sent 22 to the bench via the strike-out route. A total of 50 batters faced each hurler during the duel. The Oakland squad's winning run came in the 15th when Left Fielder Walters got to first on an error, stole second and raced home on a single by First Baseman Turner. Bramwell allowed eight hits, no two in the same inning, and Edmonds held Coach Hird's squad to 6 scattered bingles.

The local nine will play but one game this week-end, journeying to Pleasanton Saturday for a 10 a.m. encounter with the junior league nine there.

DECOTO BOXER . . . Henry Carvalho, scrappy 118-pound fighter, is this week engaged in a series of exhibition matches in Honolulu under the auspices of the National A.A.U.

DECOTO BOXER TO FIGHT IN HAWAII

Henry Carvalho, 22-year-old son of Mr. and Mrs. John Carvalho, 416 Fifth Street, Decoto, departed by plane from Mills Field Monday evening for Honolulu where he will participate in a week-long series of boxing exhibitions under the auspices of the National A.A.U.

The young Decoto boxer received a telegram last week-end informing him that he had been selected to make the trip with a group of prominent amateurs to represent the U.S. in a series of exhibition matches.

Carvalho gained his prominence in boxing circles by belting his way through the Pacific A.A.U. tournament in San Francisco in March, winning the championship in the 118-pound class. He received a large gold trophy last week for this accomplishment.

In April he was flown to Boston to the National A.A.U. meet to represent the west coast in his weight division. He advanced to the semi-final rounds of the tournament before he was eliminated.

PACE STIFFENS IN SOFTBALL LEAGUE

The pennant race in the Washington Township Softball League grew considerably hotter this week indicating that any one of the nine teams is capable of grabbing top honors despite present standings.

Morton Salt and Westvaco, both holding down cellar spots in the standings without a victory thus far in the play, came near dumping the top contenders in Monday evening's double-header. Westvaco lost to the powerful Mission San Jose Firemen by a score of 8 to 7, and the top bracket Central Chevrolet barely nosed out Morton Salt 3 to 2.

Vilela's scored a shutout over Kraftile Tuesday evening 2 to 0 and Kleine's went on a hitting spree to run away from Frick's, 19 to 4. Central Chevrolet had little difficulty with Westvaco Wednesday evening, winning by a score of 8 to 5. Playing stellar ball behind the two-hit pitching of Larry Rogers, the Mission Firemen triumphed over the Native Sons, 9 to 2.

PLAN BENEFIT COAST LEAGUE GAME JUNE 19

When Oakland and Portland Coast League baseball teams meet in Emeryville ball park next Thursday evening, June 19, it will be as a benefit game for Children's Hospital of the East Bay.

Members of the Children's Hospital Association throughout Alameda and Contra Costa counties are selling tickets for the game to insure a sellout. As there is no advance in price for either the reserved or general admission seats, the extent to which the hospital will profit depends on the turnout of fans.

Mrs. Faye Gunnell, general chairman, has urged all fans to purchase their tickets in advance, either at the ball park or from a member of the Children's Hospital Association. If the advance sale is heavy enough, extra field bleachers will be erected at the ball park to assure all comers seats.

Funds from the game will aid the hospital in carrying on its various community services, among them the Child Development Center which Dr. Thomas Parran, surgeon general of the United States Public Health Service, praised so highly in a recent visit here.

Dr. Parran, who considers mental illness the number one threat to the health of the nation, cited the center as one of three of its kind in the country where mental well-being of children is considered on a par with physical health.

CHRISTIAN SCIENCE SERVICES

"God is the Preserver of Man." This is the subject of the Christian Science Lesson-Sermon for Sunday, June 15, with the Golden Text taken from Psalms: "The Lord is my strength and my shield; my heart trusted in him, and I am helped" (28:7).

The following citation is included in the sermon:

Acts: "And, behold, the angel of the Lord came upon him, and a light shined in the prison; and he smote Peter on the side, and raised him up, saying, Arise up quickly. And his chains fell off from his hands" (12:7).

Good-neighbor policy party-line style

To provide telephone service to more people, there are more party lines in use these days than ever before...and most telephones are busier than ever before. When you share a line with one or more parties, you'll all get the most from your telephone service if you'll remember...

Five Golden Rules for party-line neighbors

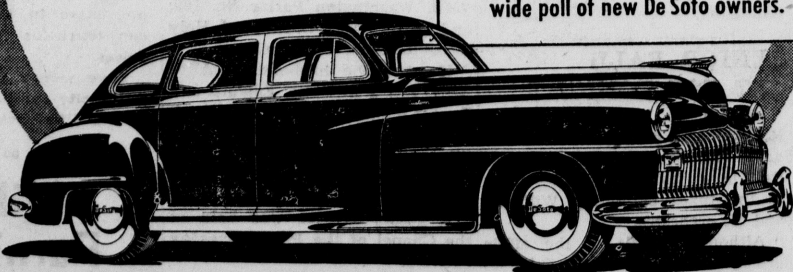

- Space your calls instead of making an extended series of them...and talk only as long as necessary.
- If yours is an emergency call, and the line is in use, explain the circumstances to the person using the line.
- If you are calling from a dial telephone, always make certain the line is clear before you dial.
- Ask your youngsters not to monopolize the telephone.
- Replace the receiver properly when you finish your call.

Thank you!

NILES SPORTSMEN ORGANIZE; KAISER NAMED PRESIDENT

Last Thursday evening an enthusiastic group of local hunters and fishermen met in the Odd Fellows' Hall, Niles, and completed the process of organizing the Niles Sportsmen's Club.

Lawrence McNabb, chairman of the Associated Sportsmen of California, District Council No. 3, was present and acted as temporary chairman for the election of the club's permanent officers. C. W. Wilson, secretary of the Hayward Sportsmen's Club, acted as temporary secretary.

KAISER NAMED PRESIDENT

Karl Kaiser was elected as president to lead the club in its first year of operation. R. J. Calhoun was elected vice-president; Joe Pine was named to the post of secretary, upon whom will rest much of the work of the club during its first year of activity in fish and game conservation work. Joseph Dooley was elected to handle the club's treasury post and following the meeting he immediately opened up shop to collect dues from the new members. Joe Hudson was elected sergeant-at-arms.

McNabb administered the oath of obligation to the newly elected officers, a ritual which was impressive to both the officers and members present. Following his remarks upon the activities of their parent organization, in the interest of better fish and game laws, McNabb turned the gavel over to the new president, Karl Kaiser, who thanked the members for their support and urged their full cooperation in the club's efforts.

CREDIT TO WORKERS

President Kaiser gave credit to the men who had pioneered the formation of the club, Tom Pryor, R. J. Calhoun and Joe Pine.

Selected for the board of trustees were the elected officers together with Bill Pine Jr., Tom Pryor, Charles Riley and Kenneth Ferry.

The board will meet and agree upon a meeting night and place and will issue a notice to the membership.

PROMOTIONS TO BANK OFFICERS

At a meeting of the board of directors of the Central Bank, held last Wednesday, three officers were promoted to higher positions.

Donald W. Henderson, vice-president, cashier and treasurer of the Central Bank, was promoted to executive vice-president. His service in the banking field extends over a period of 36 years in the Bay area.

Coincident with the advancement of Henderson, the directors announced the election of Rudolph Nolthenius of Alameda to the position of cashier and treasurer and the promotion of Howard S. Williams, comptroller, to manager of the credit department.

Nolthenius recently spent several months in the Philippine Islands where he assisted in the opening of a bank in Manila. Williams has been with the Central Bank since 1926.

J. C. Shinn's Now In New England

Realizing a dream that she has had for many years of some day returning to the old ancestral home in Edgartown, Martha's Vineyard, Mass., Mrs. J. C. Shinn, accompanied by her husband, has arrived in that New England spot and is visiting their son, Commander Allen Shinn, and his wife and family.

The couple left by train on June 3, and expect to be gone approximately a month.

While they are away, the Shinn home in Niles is being occupied by their daughter and son-in-law, Mr. and Mrs. Sherman Leonard.

Creightons Entertain

A recent cocktail party during the Sesqui festivities was that given by Mr. and Mrs. L. R. Creighton of Cherry Lane. Those present at the affair included Detective and Mrs. Sheehan and Detective and Mrs. George Weisner of Hayward; Mr. and Mrs. Jack Fisher of Oakland; Mr. and Mrs. J. C. Wallmann of Centerville, and Mr. and Mrs. Henry Vervais of Niles.

Nancy Bishop Bridesmaid At Hollywood Wedding

Of more than casual interest to this community is a wedding that took place at the First Methodist Church in Hollywood last Saturday afternoon, not only because the bride is a daughter of a former Niles school teacher and the niece of Mrs. Marie Bishop of the Hotel Belvoir, but because the newlyweds plan to be here in two weeks to make their home, at least for a while, in one of the cottages at the Belvoir.

The bride is the former Janet Hobson, daughter of Mr. and Mrs. L. J. Hobson of Beverly Hills, Mrs. Hobson will be remembered in Niles as the former Helen Sharpe, who graduated from Washington Union High and taught for a short while at the Niles school. The Hobsons also lived in Niles during the years of 1930 and 1931.

The bridegroom, Kenneth Allen Stevenson of Los Angeles, is a former commander in the Navy. He recently received his discharge, following service in the Pacific. He was recently stationed at Corpus Christi, Texas.

Miss Nancy Bishop, the bride's cousin, acted as bridesmaid for the wedding, leaving here Friday for Hollywood and returning Sunday. The bride's sister, Roberta Hobson, who spent several weeks last year visiting the Bishops here in Niles, was maid of honor.

The bride, given away by her father, was in the traditional white with long train and veil. She carried white roses and lilies-of-the-valley.

The maid of honor wore a pink marquisette frock with hat of matching shade. She carried American beauty roses.

Nancy was in blue marquisette and carried pink roses.

Everett Stevenson, the benedict's brother, was the best man.

The ceremony, performed by Dr. Glenn Phillips, was followed by a reception in the reception hall of the church. The newlyweds then left for a wedding trip of unknown destination.

The bride, who was a WAVE for three years, is a graduate of the University of California. Mr. Stevenson attended U.S.C.

Evelyn Santos Troth Revealed

Mr. and Mrs. Ernest Santos of Newark have announced the engagement of her daughter Evelyn, to Mr. Lucas Zaballós of Hayward.

The bride-elect is a graduate of Washington Union High School and for a time attended San Jose State College. At present she is employed at the Newark Post Office.

The future bridegroom is the son of Mr. Michael Zaballós and the late Terece Zaballós of Hayward. He is a graduate of Hayward High School, and served his country during the war in the U.S. Army.

Wedding plans will be announced at a later date.

Ensign Ferrante Phones from Honolulu

Mr. and Mrs. A. Ferrante of Niles received a telephone call this week from their son, Ensign John Ferrante, from Honolulu where he has recently arrived after a voyage that took him to Australia, with task force 38. He is now on his way to the States and expects to arrive in San Diego within six days.

Ensign Ferrante tells of a most pleasant visit in the ten days he spent between Sydney and Brisbane, where he met several notable Australian personalities and where he and his comrades were entertained in a regal manner. The hospitality, he says, of the Australian people was very impressive.

Reception at Country Club for Honeymooners

A reception at the Country Club in Centerville this Saturday night will enable all the friends of newlyweds Mr. and Mrs. Anthony Rose to extend their felicitations to the pair who were married June 2 at an afternoon ceremony at St. Thomas Aquinas Cathedral in Reno, Nevada.

The bride, who is the former Dolores Paulo, daughter of Mr. and Mrs. Caetano Paulo of Pleasanton, chose a gray suit with brown accessories for her wedding costume. She wore an orchid corsage. A former employee at the Hagstrom store in Pleasanton, the bride is very well known in that town where she spent her girlhood.

Mr. Rose, an employee at Joe's Corner in Niles, has brought his bride home to one of the Jack Holland apartments, after an extended honeymoon trip that took them from Reno to as far south as Mexico.

Attend Markets

Mr. and Mrs. Joseph Kirkish of Centerville were in San Francisco last week attending the markets and purchasing merchandise for their store.

All-White Wedding For Former Mary Sa

It was an all-white wedding for Mary Bertha Sa, daughter of Mr. and Mrs. Arthur Sa, when she became the bride of Mr. Edward Freitas last Sunday at a two o'clock wedding.

The ceremony was performed by the Rev. Thomas O'Kane at Holy Ghost Church in Centerville.

The bride, given away by her father, wore a lace and marquisette gown with long train and fingertip veil and carried a white orchid and prayerbook. Her sister, Lorraine, was the maid of honor and was in a marquisette gown, carrying a bouquet of gladiolas and gardenias. The bridesmaids were Miss Dolores Sa, sister of the bride, and Miss Elaine Jarvis.

Standing with the bridegroom as best man was his brother, Ernest Freitas. Ushers were Arthur Sa and Laverne Sa, brothers of the bride.

The little flower girl, three-year-old Sharon Lynn Rose, daughter of Mr. and Mrs. Vernon Rose, carried a bouquet of white gladiolas and sweet peas.

The bride's mother was attired in a pink and beige ensemble and wore a white orchid corsage.

The benedict's mother was in a pink and gray ensemble and also wore a white orchid corsage.

A reception at the Country Club was held immediately following the ceremony with more than 200 guests enjoying the refreshments and dancing to the strains of a popular orchestra.

The bride, popular member of the younger set of Washington Township, has been employed at the W. B. Williams packing company in the bookkeeping department at Irvington.

The benedict is the son of Mr. and Mrs. Anthony Freitas of Oakland, and has been employed by the Howard Motor Company in Oakland for a number of years.

The newlyweds left for a two week's honeymoon in Southern California, and upon their return will make their home in Newark.

Cal. Students Home Soon

Two of the college crowd who are expected home soon are Eugene Williams and his sister, Rachel, both students of Cal. They are the son and daughter of Mr. and Mrs. L. S. Williams of Irvington. Rachel plans to return to the Berkeley campus for the summer session, but Eugene will spend the vacation days in some sort of employment.

MRS. ANNA MAY CAMPAGNA HOSTESS TO DECOTO DISCUSSION GROUP

By ETHEL AVILLA

Mrs. Anna Campagna was hostess to the Decoto Discussion Group at a luncheon at the International Kitchen Wednesday, June 4. Following the luncheon, which also proved to be a pleasant social hour, the group remained seated at the table for the discussion of "Ghost Town," by G. Ezra Dane, a book of tales about the most interesting and beautiful of all ghost towns, Columbia. Mrs. Katherine Goularte led the meeting.

We were surprised to learn that our guest, Miss Eda Beronio, is a veritable treasure house of knowledge of history and legends of the fabulous gold mining era. At the urging of the group, Miss Beronio, also being an able story teller, told of her family and their life in this little town. Her father and mother were the second couple to be married in St. Anne's Church and they lived in Columbia many, many years. All of the Beronio children were born there—except for Miss Eda who, although born in San Francisco, spent many childhood vacations at her aunt's, Mrs. Rose Wilson's, home, which was built around 1858 or 1860. This same home is now being occupied by Dr. and Mrs. O'Connell, charming, friendly people who will

invite you in should you visit Columbia.

Mr. Beronio was a fireman on fire engine No. 1, that beautiful, gaily decorated little engine, built for the King of Sandwich Islands but destined to help make Columbia history.

As a business man, Mr. Beronio owned and operated his gold mine and in later years ran a dry goods store, which in time was taken over by Mr. Wilson.

The facades of these old buildings are still standing, each contributing a history of its own. An enchanting atmosphere of former days still lingers in Columbia, and there are still a few "old timers" there who delight in spinning yarns for tourists. Miss Beronio informed the group that when Columbia was made into a State Park, Gov. Earl Warren signed the papers of acceptance in her aunt's former home.

Besides Miss Beronio, who contributed so much to a lively meeting, the guests were Mrs. Dorothy Roberts, county librarian, and Mrs. Alderson of Oakland.

The July meeting will be under the leadership of Leontine Costa who has chosen "Chicken Every Sunday," by Rosemary Taylor, as an example of humorous fiction.

Off to Yosemite

A pleasant week-end is being anticipated by two Centerville couples, Mr. and Mrs. Arthur Belshaw and Mr. and Mrs. Ralph Goodwin. They are planning a Yosemite jaunt. The Belshaws will have with them their son, Bruce, and the Goodwins their daughter, Cynthia.

Visit San Francisco

Miss Gloria Del Fiorentino, Charles Clark, Bobby Fiorentino, Betty Lou Richards, Ida Souza, and Mickey Pierson, all of Irvington, and Gene Durham and Arthur Catarsie of Oakland were Sunday evening visitors in San Francisco. The group had dinner at Fishermen's Wharf and then attended the movie, "The Yearling."

Entertain Upper Classmen

The members of the seventh grade class of Irvington School were hosts to their upper classmen at a party and dance held at the school auditorium Tuesday evening. Refreshments were served.

Hold School Dance

The eighth graders of Irvington School were guests of the eighth grade class of Newark School at a party and dance held in the auditorium at Newark Monday evening.

B. J. Bunting Weds Girl from Alaska

A candlelight ceremony at the Niles Congregational Church last Tuesday evening united in marriage the former Dorothy Williams of Fairbanks, Alaska, and B. J. Bunting, son of Mr. and Mrs. L. Bunting of Niles.

The couple exchanged vows at an altar banked with magnolia blossoms, the ceremony being performed by Rev. Donald Kirkbride, pastor of the church.

The blonde bride was lovely in a white satin gown with long train and veil. She carried a bouquet of magnolia blossoms tied in white satin ribbon. Her bridesmaid, Irma "Micky" Koeler, also of Fairbanks, was in a blue net frock.

Leon Vieux did best man honors, while David Barker and John Conner did the ushering duties.

Music for the ceremony was furnished by Mrs. June Brown Townsend, who played appropriate organ selections. Mrs. Flora Conner of Niles sang two solos, "Oh, Promise Me," and "I Love You Truly."

Immediately following the ceremony a reception was held in the social rooms of the church, where the young couple's many friends extended their felicitations. The newlyweds then left for a honeymoon trip to Yosemite, but will return in about a week to make their temporary home with the benedict's parents, until the home they are building on the Bunting property here in Niles is completed.

The new Mrs. Bunting, daughter of Mrs. Archibald Broxon of Fairbanks, spent her childhood in Alaska. She came to the states to accept a civil service position as a clerk at Moffett Field, living with friends, Mr. and Mrs. Gilbert Perrigo, in San Jose, while she was employed. It was Mr. Perrigo who gave her away in marriage.

The benedict, who served for over two years in the Merchant Marine, attended Washington High. He will take a new position, with the Southern Pacific in Niles, when he returns from his honeymoon.

Treat for Their Mothers

No special occasion, except that they thought it would be nice to give their mothers a good time. That is the way Maxine Mau and Juanita Pennington expressed themselves in regard to last night's trip to the Hawaiian Gardens in San Jose where they treated their mothers to dinner. The mothers are Mrs. Pennington of Irvington and Mrs. Herman Mau of Centerville.

New Resident at Jackson Home

A new resident at the home of Mr. and Mrs. Thomas Jackson (Betty Burr) is little Miss Karen Lynn Jackson who was born May 31 at Peralta Hospital. The young lady weighed seven pounds 10 ounces at birth. Her daddy is employed at Frieden's in San Leandro.

Her proud maternal grandparents are Mr. and Mrs. George Burr of Niles.

Pal Club Meets

The Pal Club of the S.P.R.S.I. of Newark held its annual dinner at the International Kitchen Wednesday evening. Mrs. Louise Reis was in charge of arrangements.

Following the dinner, gifts were exchanged and the past year's secret pals were revealed.

LIVERMORE RODEO OPENS SATURDAY

The world's fastest rodeo, packed with Western thrills, will be held Saturday and Sunday, June 14 and 15, at Livermore, where cowboys and cowgirls from all parts of the country will compete for cash prizes and points toward national cowboy championships.

Livermore's rodeo plant, largest in the world, has 24 chutes, releasing a new contestant into the arena every 13 seconds.

Wild Brahma bulls, a cross between the sacred cattle of India, and the Texas longhorns, will provide thrills in the bull-riding event, most dangerous of all cowboy sports. The toughest broncos in the west, each with a different style of bucking, are signed for the bronc riding championships. Harry Rowell stock will be a feature.

Golden Palominos, favorite mounts of the California dons, will be featured on the track, where hackamore and stockhorse competitions will be held.

Hundreds of horsemen, marching units, stage-coaches and floats from central California cities and towns are entered in the gigantic down-town parade that will open the rodeo celebration at 10 a.m. Saturday, June 14.

FRIDAY REVIEW OF LITERATURE

Portuguese, Spanish, French, Italian. There are novels in these languages at the Centerville Branch of the Alameda County Library for those who can receive more pleasure from reading in these languages because they can read them more readily than English. They are there also for those who wish to improve their familiarity with one of the languages through the pleasant medium of reading interesting novels.

Foreign fiction gives the reader an acquaintance with the national life and character of other countries. "It establishes familiarity with historical European backgrounds, with racial and social characteristics of different nations. It makes for broader, more balanced judgment of world understanding."—Helen E. Haines in "Living with Books."

Books written in languages now available at the Centerville Branch, or in other languages that may be desired may be secured on request at any of the branches of the Alameda County Library.

READERS WRITE US

I read your paper with great interest, and may I ask a little space to answer the letter on June 6?

Dear Veteran: More power to you for expressing the reactions of your feeling. I, and thousands of other people, came from all over the country to admire the most beautiful and historic Mission parade. And we give credit to all for the magnificent success. But as you say, nothing has been mentioned about the most really impressive group—our boys holding and defending the American flag.

As I was standing there watching you, the thought of what you have done and sacrificed for us came to me. I clapped my hands to thank you, but was surprised that so few others did.

We don't forget so easily, dear Veteran. Our hearty appreciation. Thank you.

A Reader.

The Editor, Sir:

There are a few members in our community who fought World War II in vain! One in particular who came to this town of Niles in 1928, a native of this state of California. He grew up and went to school here and when the war broke out he was right in there.

At the end of the war he came back and organized a Boy Scout troop and now serves as its Scoutmaster. But, two beachheads with the marines did not qualify him to live in peace and security with his wife and child. No, because he is of Mexican descent, "yet an American," (he certainly showed it during his time in service), he is being forced out of his home, by some people in his community who copied Hitler's doctrine of Superior Race. Therefore, they have taken legal action to deprive this ex-marine of his home.

Flowery speeches and glowing promises have been made in the past condemning racial discrimination. Has anything concrete been done about it? No!

The surrounding towns and cities are watching this case and others like it. It is up to you—the people who fought for this country to make it free and livable—to accept the challenge from these ungrateful hypocrites who would divide us to conquer.

A Citizen.

NILES YOUTH GROUP INSTALLS OFFICERS

Last Sunday evening 20 members of the newly organized Young People's Fellowship of the Niles Congregational Church met in the Guild Room of the church for a potluck supper.

At the conclusion of the supper the group adjourned to the chapel where Rev. Don Kirkbride installed the newly elected officers at an impressive candlelight service.

The group meets each Sunday evening and a recreational program is being outlined to provide entertainment. All young people interested in joining the group are urged to attend.

The town of Suisun, in Solano County, was incorporated October 9, 1869.

NEW EAGLE SCOUT... Bruce Roeding, member of Niles Scout Troop No. 2, wears the Eagle Medal, awarded to him last Friday night at ceremonies in Oakland.

BOY SCOUT ACTIVITIES

Perhaps a 13th scout law should be added, "A Scout is Determined."

At least there are two members of the Decoto troop that proved a strong sense of determination in attending the Camporee last weekend.

The two boys were not ready when the transportation provided to the campsite left early Saturday morning and so they were left behind. Determined to attend the camporee after weeks of planning, the two lads shouldered their heavy packs and hiked the more than 30 miles. They were able to catch rides part of the way but did not arrive at the campsite until late afternoon, tired but happy.

EAGLE SCOUT AWARD TO BRUCE ROEDING

Bruce Roeding, 18-year-old son of Mr. and Mrs. George Roeding Jr., Niles, was last Friday elevated to the highest rank of scouting, that of an Eagle Scout.

The coveted award was given by Judge Ogden in his chambers in the Alameda County court house Friday evening with scouters of this area present.

Bruce is the second member of Niles Troop No. 2 to receive the Eagle award this year, Fred Duffie Jr. having been made an Eagle Scout in February.

He is a student at Menlo School for Boys and is a member of this year's high school graduating class. He will leave June 15 for Diamond O Camporee where he will serve as a junior assistant scoutmaster.

PRAISED FOR CAMPOREE

Fred Duffie, Niles Scout Commissioner and chairman of the Boy Scout Camporee held last week-end, received the following letter this week from Don MacDougal, scout executive of the Oakland Area Council:

"Dear Fred:
"If the Scouts got one-half of the lift out to the Camporee that I did the effort was certainly most productive."

"The evidently joyous and productive attitude that the Scouts themselves displayed would be enough to reconfirm my belief in the value of our program."

"I think you have chaired the most resultful activity of real scouting nature to be carried on in this council to my knowledge. Your personal influence is far reaching, Fred, through the committee that you welded and the boys you contacted."

Sincerely,
Don MacDougal.

LOCALITES ARE HAYWARD GUESTS

Officers of several township Chambers of Commerce were the guests of the Hayward Area Chamber of Commerce at a banquet at Pland's in San Lorenzo Tuesday, at which Don Follette, chairman of Alameda county's new industries committee, was the speaker.

In attendance were: Charles Wauhab and Louis Cardoza of Centerville Chamber of Commerce; L. R. Batman and A. J. Petsche of the Niles Chamber; Arthur W. Cotton and Ray Alberts of the Newark Chamber; P. J. Faletti and Bernie Joseph of the Decoto Chamber; and Mrs. Lois Bottenberg and Mrs. Thomas Cunha of the Mission San Jose Sesquicentennial committee.

The dinner, an all-poultry banquet, honored the poultrymen of the Hayward Area and was chairmaned by President Fred Cox of the Hayward Chamber.

In his address, Follette told of the very favorable situation of Southern Alameda County as compared with other areas in attracting new industries. The southern county, he said, is ideal from the standpoint of the things new industries need—rail and highway connections, moderately priced land, housing, water, sewage and low taxes, and availability of labor.

Since 1940, he stated, more than 200,000 people have come to Alameda county.

NILES GIRL SCOUTS TO GO ON PICNIC

Niles Girl Scout Troop No. 1 is anticipating a gala time when they will go to the Hayward Plunge, June 17, for a weiner roast and swim. The girls will be supervised by their leader, Mrs. L. R. Creighton.

BOY SCOUTS ENJOY ANNUAL CAMPOREE

The southern district Oakland area council, Boy Scout Camporee was held last week-end at Wilderness Camp, Los Mochos, with 146 scouts and 23 leaders enjoying the two-day outing.

The camp was under the direction of Fred H. Duffie, Niles, chairman of camping activities, and Don MacDougal, field executive for the southern district, with Dr. E. H. Lum, Hayward, serving as camp physician.

TWO LOCAL TROOPS

Washington Township troops participating were Troop 1, Decoto, and Troop 2, Niles.

Saturday was spent hiking and collecting Indian folk lore and the activities for the day were concluded with an Indian-style camp fire court of honor with an impressive program with each troop participating.

Activities Sunday began with Catholic services conducted by Rev. Patrick Egan, Livermore, followed by Protestant services conducted by Rev. Alexander, chaplain of Livermore Veterans Hospital.

At the conclusion of the church services, scoutcraft field events were held, followed by camp inspections and awarding of pennants to winning patrols. Pennants were awarded to patrols achieving minimum standards of camporee participation, as set up by the camporee committee. All judging was done by the scouts, this to prove the slogan that, "Camping is Fun."

CONTEST WINNERS

The Washington Township scouts won the following events: Niles, Troop 2—first in flag-jack flipping, third in first aid, and third in nature study; Decoto, Troop 1—first and third in judging, second in knot tying, and second in tracking.

Transportation to and from the camp site was furnished by John Musgrove and local scouters. Camp visitors from Washington Township were Mr. and Mrs. John Hansen, Niles.

NEW GIRL SCOUT LEADERS NAMED

Twenty-three women of Washington Township this week completed an eight-week training course to become Girl Scout leaders.

Investiture ceremonies were conducted at the Boy Scout House in Centerville by Mrs. Josephine Lum, commissioner of the Hayward Area Council, assisted by Mrs. Helen Herb, training chairman, and Mrs. Pauline Oakes, executive secretary, both of the Hayward Council, under whose auspices the course was conducted.

FORM ORGANIZATION

Following the investiture the Girl Scouts Leaders Association of Washington Township was formed with the following officers elected: Mrs. Kay Kettman, Newark, president; Mrs. Marie Vervais, Niles, vice-president; Mrs. Lydia Orsetti, secretary and Mrs. Lee Silva, treasurer, Alviso. The first meeting of the new organization will be held at the home of Mrs. Kettman at 568 Arden Street, Newark, on Friday, June 27, at 9:30 a.m.

It was announced that new troops would be organized at Decoto, Alvarado and Alviso, but will probably not start meetings until school opens in the fall. Leaders for the three new units were announced as follows: Decoto, Mrs. Leontine Costa, assisted by Mrs. Adeline Fletcher, Mrs. Florence Hidalgo and Mrs. Marcela Rodriguez; Alviso, Mrs. Asta Pedersen, assisted by Mrs. Mary Bettencourt; and Alvarado, Mrs. Marion Hocking, assisted by Mrs. Mary Spurlock. A Brownie Scout group at Alviso will be headed by

Mrs. Orsetti, assisted by Mrs. Silva. NEW LEADERS NAMED

Changes in leadership at Newark and Niles were announced, with Mrs. Genevieve Creighton succeeding Mrs. A. W. Gorman as leader of Troop No. 1, Niles, assisted by Mrs. Henrietta Teeter and Mrs. W. F. Lomereux. Mrs. Vervais, leader of Troop No. 2, will be assisted by Mrs. Isabel Mottershaw.

At Newark Mrs. Kettman succeeds Mrs. Opal Blanche as the leader.

Certificates will be presented to those completing the course at the last meeting to be held at the Centerville Elementary School on Friday, June 13, at 9:30 a.m.

ENJOYED REGISTER IN NEW ZEALAND
Mr. and Mrs. Owen Swainson, 1706 Santa Barbara Avenue, Los Angeles, former residents of Niles, arrived in San Francisco last week-end from a visit to New Zealand. They reported making the trip in three days by Pan-American Clipper. They also reported that they had thoroughly enjoyed reading each week's Township Register while on their visit, it having been sent to them by Mrs. Agnes Nihil of Oakland, another former Niles resident.

"Where Customers Go Out with a Smile"

Relative Importance of the Major Groups of Items priced for the San Francisco Consumers' Index as of December 15, 1946.

All Items . . . 100 cents

Food 44.7 cents

Clothing . . . 12.4 cents

Rent 11.5 cents

House furnishings . 3.7 cents

Miscellaneous 25.6 cents

* Fuel, Electricity and Ice . . 2.1 cents

That is a good question and you should know the answer. It is only a small part of each dollar you pay out to run your home and feed and clothe your family.

And the reason is that gas and electricity are among the very few cost-of-living items you still buy today at way-below pre-war prices. (Since 1939 the cost of electricity has gone down 16% and the cost of gas has gone down 33%.)

The chart to the left, which is based on an official government report from the Bureau of Labor Statistics, shows that the costs of gas and electricity are mere fractions of each dollar you spend to maintain home and family.

Gas and Electricity are the outstanding bargains in the home today!

* just 9/10 of a cent goes for GAS

* just 8/10 of a cent goes for ELECTRICITY
